Dear Mr. Mary — I send you the actual Address with the Lord Mayors Signature which you will find in the Advocate No 6 — But I suppose it is right you should have the original as well as printed copies. If you like to have it inserted in the Liberals and Others Anti Slavery Papers.

I write some time ago to ask some Watches & Trinkets for 12 Welsh Chiefs. Slavery as it is. You would greatly oblige me by sending them as the Rev. and bearer of this will pay the needful. Mr. Thompson the very best of all these Chiefs who labour for the Cause in Londonderry

Could not you lend one town good
men workers. He would do great
things in England. I have heard
little Mr Lin named as such.
Please enclose this letter sent
herewith as directed in a stout
writing envelope.
If we greatly prefer me if the Advo-
cate could keep to stand alone
it would please Mr Ritter to
lunch. the pays the bill

Do you not think a selection of C. K. Whipple's essays would be a good anti-slavery idea. They are so compact & pithy. Talk to him about it. Like Mrs Stowe "Key to Uncle Tom" be a rattling border like book. How do you think she is affected towards the Boston advertisements. A line from you is always kind & acceptable.

Yours ever truly

Richd D Webb
